This remarkable show home is the embodiment of great design in all its facets—from efficiency and quality to comfort and style. From generous bedrooms to harmonious shared spaces, this is a home to be celebrated. Unique elements like the loggia with its optional pizza oven or fireplace and a courtyard that links the family room and study ensure that the homeowners experiences a perfect union of indoor taste and outdoor living. The attached, four-car garage empties into a mudroom and computer center before inviting you into the heart of the home—a natural, flowing plan that shapes itself to your family's needs. The 2011 idea Show House is built so that you get the best of everything without leaving home.
