HARRINGTON

2,219 sf » 3-4 bedrooms, 2½ baths

With an exterior and an interior ready for your tastes, the Harrington is sure to become a neighborhood asset. Clutter and outdoor debris are a thing of the past in a home that brings family members in from an attached garage past organizational spaces like a laundry room and computer center before welcoming them into the shared kitchen, great room and dining nook. The first floor owner's suite dazzles with his-and-hers walk-ins and an optional cathedral ceiling, while the second floor remains open and airy or provides more space with an optional fourth bedroom.
