Optional Finished Lower Level

Whether you're looking for a ranch style or two-story home, the McKinley can become just what you need. Details including shake siding and a windowed garage door create a charming exterior that provides a welcoming invitation into your home. Options and adaptations make the McKinley an ideal choice for homeowners at all stages of life. Fluid spaces coexist in ambient harmony with a spacious great room and an optional two-way fireplace. With a choice between two kitchen designs, flexible bedroom additions to suit your needs and an abundance of entertaining space, the possibilities with the McKinley are endless.

On select homesites, the optional deck and pergola features privacy lattice and an optional two-way fireplace — a centerpiece in the great room indoors as well as the extended living space outside.
