

THE BIRCHWOOD

2,200 sf » 3 bedrooms, 2½ baths

The exterior of this colonial harmonizes shake siding and stonework to bring a unique character to the neighborhood while the location of the two-car garage, situated behind the house, leaves the view from the street picture-perfect. Inside, the Birchwood is sure to please with a variety of shared spaces that adapt to any family's needs. The easy flow between kitchen and dining room connects to an open great room and a comfortable, optional outdoor lanai. Upstairs, second floor laundry facilities, two generous bedrooms and an owner's suite with seating area, full bath, his & her vanities and a walk-in closet complete this beautiful home.
