BRADFORD

3,104 sf » 4 bedrooms, 3½ baths

Expansive and elegant, the Bradford is the ultimate in personal space. A home office provides a command center across from the kitchen, while additional flex and family space join a tranquil loggia to accommodate every member of the family. The second level features endless opportunities for comfort and self-expression, with magnificent owner's suites and baths bordered by life's little luxuries—like walk-ins and sitting areas. If you want a place for everything, the Bradford is a perfect fit.
