

» Elevation C

Elevations shown with optional garage door design.

## DURHAM

2,393 sf » 3 bedrooms, 2½ baths

The Durham is a masterpiece of spacious elegance. A standard 3-car garage and ample private rooms surround the uplifting family and dining area at the heart of the home. Entertainers and families will embrace the bright, airy way the dining and living spaces unfurl from the generous kitchen—offering a wealth of possibilities. A convenient laundry/mud room straight off the attached garage allows even the most chaotic family to exercise a little organization, while the study’s proximity to the shared space in the center of the house further encourages a sense of functional harmony.
