HUNTLEY

3,331 sf » 4 bedrooms, 3½ baths

The Huntley's 4 bedrooms and 3½ baths welcome you with a functional collection of office and dining spaces that open into a dazzling, two-story family room that has the option of flowing out into the natural beauty of a spacious loggia. An impressive owner's suite on the first floor complements the soaring family room, while a loft area pulls together the second floor rooms and amenities. With its convenient second floor laundry and optional media room, the Huntley truly delivers the best that two-story living has to offer.
